

DT1262L

2 PIN TERMINAL "L" (DT-126-2PL)

- Green Terminal Block 2 Pin 5.0 mm pitch for PCB Mount.
- Saves space due to the small design
- Screw connection with tension sleeve
- Maximum contact force ensures a low-temperature rise
- Connection in accordance with EN-VDE Standard.
- This terminal block has screws to keep the wires in place. It can hold wires from 14 to 22 AWG.
