

NA505

300W 10A DC-DC Step Down Constant VOL NA505

- Input Voltage: 5-40V
- Output voltage : 1.2-35V (continuously adjustable)
- Output Current : 9A (If temperature exceeds 65°C please add cooling fan)
- Constant current range : 0.2-9A (adjustable)
- Output Power : Maximum power is about 300W (If temperature exceeds 65°C please add cooling fan)
- Size : Approx. 6.5*4.8*2.4cm (length*width*thickness)
