

LEP2R3

6.3 TO 2 RCA LEAD 3MT (8MM GOLD)

- Connects an iPhone/iPad, MP3 player, smartphone or laptop with the common 3.5mm audio port to a TV, AV receiver, amplifier, projector, radio and more with adjacent RCA connectors
- Engineered with a soft PVC jacket, polished metal connectors, and strain-relief rings that are color coded with the common red/white RCA plug colors; A beveled, step-down design of the 3.5mm connector accommodates most mobile devices in a case with a snug and secure connection
