

SNPK7

7 IN 1 SOIL SENSOR NPK, EC, TEMP AND HUMIDITY

- **Maximum power consumption: 0.5W (24V DC power supply)**
- **Working temperature: -20?~+60?**
- **Core chip temperature resistance: 85?**
- **Probe material: Anti-corrosion special electrode**
- **Sealing material: Black flame-retardant epoxy resin** The default cable length: 2 meters, the cable length can be customized as required
