

# SUP12250

CCTV Camera Power Supply 12V 20A SMPS Waterproof

- High Performance CCTV Camera Power Supply 12V 20A SMPS
- Suitable for installation of upto 16 cameras CCTV IR cameras
- Input Voltage: AC 220 ? 15%
- Output: DC 12V 20A;Power: 250W
- Output frequency: 50/60 Hz
- Built in Cooling fan
- Heavy duty waterproof aluminium case for outdoor installation
- Embedded design for easy wall mounting
- Dimensions: L87X W48 X H188 mm
- Over-voltage, overcurrent, over-load, short-circuit protection
