

ME830L

Digital Meter 830L UNI-T

- LCD Digital Multimeter DC AC Voltage Diode Frequency Multi Tester
- Diode and transistor (hFE) test
- Data hold for easy reading
- Ranging mode: manual
- Power supply: 9V battery(Not Included)
- Basic accuracy: 0.8% (1.0% for 2000k range)
- Overload protection: 220Vrms max. for 15 seconds
- Low-battery indication
