

POE1

Single Channel POE Power Supply Adapter

- Can be used to put single POE camera over IP network
- Input Voltage: 100~240V 50/60 Mhz
- Output Voltage: 48V 400mA; 19W
- Network Port Speed: 10M/100Mbps
- Work Indiction LED: GREEN
- Built in protection for over and undervoltage
- Transmission distance up to 100 meters
- POE Pins: (Pins 4,5 V+, Pins 7,8 V-), Data 1236
- IEEE802.3af
