

# TACTS

## TACT Switch Module For Arduino Mega

- Operating Voltage: 5V
- Contact Resistance : 50mΩ max (initial)
- Electrically Life:100,000 cycles
- Environment temperature: -25°C to +105°C
- Operating Force: 180/230(±20gf)
- Seal temperature:250°C-280°C
- I/O pins: 3 pins
